Message From the Vice President

By now our past president is in Florida, enjoying the sunshine and beaches. He did a great job for our club and we all wish him well. Our club just completed a month of great car shows. One of my favorites is the Cruise Night in Auburn. It is a huge show, we had six cars there, and we dominated the show. We also had one of our best turnouts at the Ironstone in Murphys and came away with three ribbons and a trophy. Every time our cars are shown, and win anything, I feel the value goes up. I even got a trophy at the last Hot Chili and Cool Cars car show in Rocklin. To illustrate what is happening to the value of our cars, a man offered to buy Paul Bender's award-winning car with so much money he couldn't turn it down. A Brinks truck had to follow him to the bank!

The next thing I would like to talk about is the election of our officers at our October meeting. John Heiser has agreed to be President, with his daughter Tabitha as secretary. Chris Medeiros will remain as activities chairman until the end of the year. We will need someone to step up to fill that position. The rest of the positions have agreed to stay on. We are very lucky to have John Heiser. John and his dad have been very active in the Corvair family for years and was very involved when we sponsored the National event in Tahoe in the '90s. John is currently in touch with all the Corvair clubs in Northern California.

I want to thank a few of the club members that have traveled a long way to support our club meetings. Christy Barden and Harry Spence from Nevada City, Howard and Bonnie from Sutter Creek, Howard Pilon from Vacaville, Ron Eversden from Elk Grove. These are just a few of the members who make a special effort to be part of this great club.

We brought in a new member to our Corvair family, Garry Montierth. He lives in Rocklin and comes with a little Corvair background: he had a Corvair-powered dune buggy for many years. Please make him feel welcome.

I would like to mention is our annual Christmas party. This year it will be at Sun City, Roseville at the Sierra Pines club house, a great country club setting. Social at 5:00, Buffet dinner at 5:30, optional gift exchange at 6:30, and great entertainment after that. We need to be out of the building by 9:00.

Chris Medeiros designed a flyer for the Christmas party and you should have received your copy by now in the mail. Please fill it out and send it back to Wes while it is fresh in your mind, as we will need a headcount ASAP. If you can't make all the meetings, the Christmas party is one gathering you shouldn't miss.

Meeting Minutes

By Bruce Leonard – Acting Secretary

CCRC Club meeting minutes 09/26/18

The meeting was brought in at 7:56 by Carl Funk with 16 members in attendance. There was a brief introduction session followed by the topic of voting for next year's officers. There was a vote to nominate John Heiser as president and a vote to keep the remaining officers in office. Chris Medeiros will be activities director until the end of the year, and a new officer will need to be nominated. The Christmas party was then mentioned and discussed, including schedule and any details asked. Carl then asked John to talk about any next year plans he had for the club and he mentioned the raffle engine. He then suggested doing tech sessions for the club. He mentioned that one of his friends is willing to do photo shoots for the Corvairs. He spoke of his history with Corvairs after a member asked and then brought up the topic of doing tours again. Afterwards the treasurer's message was delivered; there are currently 62 members in the club.
